OUR COMPANY CULTURE

At Spyrosoft, we are authentic, our ethos reflect who we are and what we believe in.

Meet the most committed people in IT

We are fair

We work honestly, keeping our customers informed about all our responsibilities. We do not take advantage of our team members or business partners.

We always work together

We share knowledge and ideas within our teams. We do not put pressure on people, we stay flexible.

Each of us is a technology enthusiast

What we do for a living is our passion. We work with enthusiasm and passion.

We believe that good relationships are crucial

People are always our top priority. We keep an individual approach and always stay customer oriented.

Values at our core:

 **Authenticity**

 **Equality**

 **Transparency**

 **Trust**

 **Freedom of action**

 **Knowledge**

 **Simplicity**

 **Relations**

How we turn our values into actions

-  **Technology is our passion** — we constantly learn and develop
-  **30% of us are women** — many of them are managers
-  **We support women in IT** — we sponsor women-related initiatives
-  **We support young talents** — we cooperate with technical universities
-  **We accept all diversities** — employees are valued for their contribution to the workforce regardless of differences
